<sup>2</sup> The Republic has noted that the Kalbermanns have sought judgment on beneficial interests in Argentine bonds in *Applestein v. Republic of Argentina*, 02 Civ. 4124, and *Moldes v. Republic of Argentina*, 04 Civ. 6137. The Kalbermanns have provided an account statement indicating that the beneficial interests on which they have sought judgment were purchased on several separate occasions, and are distinct. As such, the court is satisfied that the Kalbermanns have not sought relief on the same beneficial interests in multiple cases.
